**ART
ADVOCATES**

The OSU Museum of Art Advocates support the museum and its outreach to the community through their advocacy, volunteering, and/or financial contributions. The Art Advocates envision an expansion of the community and regional participation and support for the social, cultural and educational opportunities the museum offers.

Art enriches the lives of all it touches. Art Advocates help to spread that touch throughout the community. As an Advocate, you will bring the Museum to life for so many! Art Advocates provide gifts of \$100 or greater annually and are recognized in a variety of ways.

Orange IS THE

2022
**Masterpiece
Moments**

As Frank Sinatra once said, Orange is the Happiest Color!

This year's Masterpiece Moments event will embody that spirit in true Sinatra style — all while showcasing the work and talents of area artists. Proceeds from the event will support the OSU Museum of Art's exhibitions and educational programming.

The evening will include cocktails, dinner, silent and live auctions, and unforgettable entertainment. Cocktail attire is recommended, and gentlemen, don't forget your fedoras!

As we "start spreading the news," we hope you'll join the Art Advocates, the OSU Museum of Art and our honorary chairs, Malinda and Dick Fischer, for an event like no other!
